Since 1997, TAAHP members have created tens of thousands of affordable housing units across the state of Texas and the nation. Housing for EMS personnel, firefighters, police officers, nurses, social service workers, school teachers and others of limited means and special needs is the primary focus of the TAAHP membership and its programs. Our members are single and multi-family developers, builders and owners, property managers, investors and lenders, architects, engineers, and nonprofit organizations. Through its government relations efforts, TAAHP projects a powerful voice advocating the interests of the affordable housing industry in Texas.
